

Guest Speaker Meeting

Building a Data Science Approach Focused on Interpretability

Dr. Neel Madhukar
CEO & Cofounder, OneThree Biotech
Forbes 30 Under 30

WCM Comp Bio PhD '17

Friday, June 26 2020
11:00 - 11:45 AM ET

We are very excited to announce our guest speaker for the month of June, **Dr. Neel Madhukar** who is the co-founder of OneThree Biotech, an AI start-up that is transforming the field of drug discovery. He will be discussing his approach to data science problems that he has developed over the years.

Moderated by **Deepak Dhankani**, President, Data Science Club.
